

Dear Tom,

I would be more than happy to give you a testimonial Tom. Give me till next Friday and I will have one for you, and you can go over it and if anything needs to be added to it you can let me know. I do have to tell you that I have taken everything you have spoken about and have used it in my daily life so far, I cannot believe what a difference it has made so far. I must thank you from the bottom of my heart, for the invaluable information, you have given us. I can give you a synopsis of my past parenting and my present parenting and everything in between, and that will be your testimonial.
